OUR BRAND

Gayeyitas

“Made to Feel Like Home”

Gayeyitas was inspired by our family story.
The brand was created as a tribute to our founders, Eduardo and Yamila, affectionately called “Yeyos” by their grandchildren.
Its name combines two meaningful elements.
The “Ga” comes from the Spanish word “galleticas,” a warm expression that reflects sweetness and tradition. The remaining part honors the affection and legacy that inspired the creation of this brand.

MORE THAN A BRAND. A STORY OF FAMILY, QUALITY, AND VISION.

Gayeyitas is the private label of OTE Distribution, created to deliver authentic, high-quality food products with a strong identity inspired by the flavors families know and trust.

Built on a foundation of family values and supported by the experience and distribution strength of OTE Distribution, the brand has grown into a versatile portfolio that continues to expand across multiple food categories.

Today, Gayeyitas represents a commitment to quality, consistency, and market-driven innovation, bringing products that connect with consumers and adapt to the evolving demands of modern retail.

BORN FROM FAMILY VALUES

Inspired by the legacy that gave life to our brand.

TRUSTED QUALITY

Every product reflects our commitment to consistency and excellence.

GROWING WITH EVERY MARKET WE SERVE

Expanding our brand through the experience and vision of OTE Distribution.
